in five uneasy pieces mark gibney offers an assessment of the role of the us in the wider world contrasting the policies that have been adopted with those that he argues would constitute a more ethically based relationship with other nations

in this book the author addresses the problem of growing old and the warts of the soul which if gouged out ruin the flesh we must wait he says for the evil in us to die naturally presenting a peeled potato a dance in the kitchen and a visit to the aged mother of a childhood friend he considers our struggle our efforts to achieve aesthetic perfection and suggests some resolutions patrick white is a nobel prize winning author his novels include the tree of man voss the vivisector a fringe of leaves the twyborn affair and memoirs of many in one

in reading corporeality in patrick white s fiction an abject dictatorship of the flesh bridget grogan combines theoretical explication textual comparison and close reading to argue that corporeality is central to patrick white s fiction shaping the characterization style narrative trajectories and implicit philosophy of his novels and short stories critics have often identified a radical disgust at play in white s writing claiming that it arises from a defining dualism that posits the purity of the disembodied spirit in relation to the pollution of the material world grogan argues convincingly however that white s fiction is far more complex in its approach to the body modeling ways in which kristevan theory may be applied to modern fiction her close attention to white s recurring interest in physicality and abjection draws attention to his complex questioning of metaphysics and subjectivity thereby providing a fresh and compelling reading of this important world author

the central argument of the thesis the representation and reception of otherness is followed throughout white s novels with the support of a complex critical instrumentarium made up of postcolonial theory reader response theory cultural critical frameworks alterity theory and narratology otherness in its manifold representations is a main component of patrick white s fiction it functions on several levels and this requires a deeper entanglement on the part of the reader the different levels previously referred to are embodied in the various others who people white s novels ethnic others as members of the australian multicultural society and the aborigines as colonial others as well as gender others who also play an important role in white s fictional world reading patrick white is an exercise in tolerance endurance and acceptance of alternatives but the efforts of the reader do not remain unrewarded in his endeavour to change what it meant to imagine australia the writer broke down the barriers of what it meant to imagine otherness

how does historical reality interrelate with fiction and how much are readers themselves involved in the workings of fictional literature with innovative interpretations of various well known texts nourit melcer padon introduces the use of literary masks and illustrates literature s engagement of its readers ethical judgement she promotes a new perception of literary theory and of connections between thinkers such as iser castoriadis sartre jung and neumann the book offers a unique view on the role of the community in post existentialist modern cultural reality by emphasizing the importance of ritual practices in literature as a cultural manifestation

this engaging personal history dispels the popular notion of james mcneill whistler 1834 1903 as merely a combative eccentric and unrelenting publicity seeker the whistler revealed in these beautifully illustrated pages is an intense introspective and complex man plagued by self doubt and haunted by an endless pursuit of perfection in his painting and drawing back cover

the novels of australia s nobel laureate patrick white 1912 1990 are a persistent commentary on nietzsche s proclamation of god s death as white knew the proclamation was not about god s existence but about classical views of god it presented him with the impossible task of using language to describe what language cannot describe this has always been one of the more misunderstood aspects of his literary vision because the announcement is often interpreted in antithetical ways atheistic theistic secular religious humanistic and fatalistic critics should gain a better understanding of what white was trying to achieve by comparing him with his post war contemporaries from england scotland and canada iris murdoch william golding muriel spark and robertson davies after and because of the war these authors all commented on the consequences of god s death along with white they worked with a shared pattern of tropes to explore the light and dark aspects of western consciousness and the civilization it has produced where did the pattern come from was it metaphysical or metapsychological these questions are complex as the pattern came from many sources

simultaneously and synergistically but this book tackles these questions by describing that pattern

imagination and the creative impulse in the new literatures in english brings together the proceedings of a symposium organised by the editors at the university of trento in 1990 at a time when the study of the post colonial literatures is gaining more widespread recognition scholars based mainly at universities in italy and germany were invited to address the manner in which writers are giving literary expression to the complexity of contemporary post colonial and multicultural societies and to consider from their differing perspectives on the new literatures central questions of formal experimentation linguistic innovation social and political commitment textual theory and cross culturality focusing on such major writers such as achebe soyinka and walcott as well as on lesser known figures such as jack davis witi ihimaera rohinton mistry and manohar malgonkar the contributors take up many themes characteristic of the new literatures the challenge posed to traditional authority the expression of national identity the role of literature in the liberation struggle modes of literary practice in multicultural societies the relationship of the new literatures in english to that of the former metropolitan centre and the complex intertextuality characterizing much of the literary production of post colonial societies

this book is an analysis of the textual representation of dance in the australian novel since the late 1890s it examines how the act of dance is variously portrayed how the word dance is used metaphorically to convey actual or imagined movement and how dance is written in a novelistic form the author employs a wide range of theoretical approaches including postcolonial studies theories concerned with class gender metaphor and dance and in particular jung s concept of the shadow and theories concerned with vision through these variegated approaches the study critiques the common view that dance is an expression of joie de vivre liberation transcendence order and beauty this text also probes issues concerned with the enactment of dance in australia and abroad and contributes to an understanding of how dance is translated into literature it makes an important contribution because the study of dance in australian literature has been minimal and this despite the reality that dance is prolific in australian novels

spiritualism emerged in western new york in 1848 and soon achieved a wide following due to its claim that the living could commune with the dead in haunted visions spiritualism and american art charles colbert focuses on the ways spiritualism imbued the making and viewing of art with religious meaning and in doing so draws fascinating connections between art and faith in the victorian age examining the work of such well known american artists as james abbott mcneill whistler william sydney mount and robert henri colbert demonstrates that spiritualism played a critical role in the evolution of modern attitudes toward creativity he argues that spiritualism made a singular contribution to the sanctification of art that occurred in the latter half of the nineteenth century the faith maintained that spiritual energies could reside in objects and thus works of art could be appreciated not only for what they illustrated but also as vessels of the psychic vibrations their creators impressed into them such beliefs sanctified both the making and collecting of art in an era when darwinism and positivism were increasingly disenchanting the world and the efforts to represent it in this context spiritualism endowed the artist s profession with the prestige of a religious calling in doing so it sought not to replace religion with art but to make art a site where religion happened

How Much is 90 oz of Water? A Comprehensive Guide

Understanding fluid measurements is crucial in various aspects of life, from following hydration guidelines to cooking and even understanding medication dosages. This article focuses specifically on 90 ounces (oz) of water, exploring its volume, equivalent measurements, and practical applications. Knowing how much this amount represents helps us better understand our daily fluid intake and manage hydration effectively.

I. Converting 90 oz to Other Units:

Q: How many cups is 90 ounces of water?

A: There are 8 fluid ounces in a US customary cup. Therefore, $90 \text{ oz} / 8 \text{ oz/cup} = 11.25 \text{ cups}$. This means 90 ounces of water is equivalent to just over 11 and a quarter cups.

Q: How many liters is 90 ounces of water?

A: One US fluid ounce is approximately equal to 0.02957 liters. Therefore, $90 \text{ oz} \times 0.02957 \text{ liters/oz} \approx 2.66 \text{ liters}$. So, 90 ounces of water is roughly equivalent to 2.66 liters.

Q: How many milliliters (ml) is 90 ounces of water?

A: Since there are 1000 milliliters in a liter, we can use the liter conversion from above. $2.66 \text{ liters} \times 1000 \text{ ml/liter} = 2660 \text{ ml}$. Therefore, 90 ounces of water is approximately 2660 milliliters.

II. Visualizing 90 oz of Water:

Q: What does 90 oz of water look like in real-world terms?

A: Visualizing 90 oz of water can be challenging without a direct comparison. Imagine:

- Multiple water bottles:** Most standard water bottles hold 16.9 oz (500 ml). 90 oz is roughly equivalent to 5.3 of these bottles.
- Large pitchers:** Many large water pitchers hold between 1 and 2 liters. Since 90 oz is about 2.66 liters, it would fill a large pitcher almost completely, perhaps needing two pitchers if they are smaller.
- A large container:** Think of a large bowl or container roughly the size of a medium-sized pot. 90 oz would fill it significantly.

III. Practical Applications and Hydration:

Q: Is 90 oz of water a reasonable daily intake?

A: The recommended daily water intake varies based on factors like age, activity level, climate, and overall health. While some sources suggest 64 oz (8 cups) as a general guideline, 90 oz might be suitable for individuals engaging in intense physical activity, living in hot climates, or having higher metabolic rates. However, it's always best to consult a doctor or registered dietitian to determine the appropriate intake for your specific needs. Over-hydration can be harmful, just as dehydration is.

Q: How can I measure 90 oz of water accurately?

A: Using a measuring cup marked in ounces is the most accurate method. Alternatively, you can use a kitchen scale and measure the weight of the water. One fluid ounce of water weighs approximately 29.6 grams. Therefore, $90 \text{ oz} \times 29.6 \text{ g/oz} \approx 2664 \text{ grams}$ (approximately 2.66 kg). Keep in mind that this method is slightly less accurate due to variations in water density based on temperature.

IV. Understanding the Importance of Hydration:

Water is crucial for numerous bodily functions:

- Regulating body temperature:** Water helps maintain a stable internal temperature.
- Transporting nutrients:** Water carries vital nutrients to cells.
- Removing waste products:** Water helps flush out toxins.
- Lubricating joints:** Water acts as a lubricant for joints, preventing friction.
- Supporting organ function:** Proper hydration is essential for the optimal function of

all organs. V. Takeaway: 90 oz of water is a significant amount, equivalent to approximately 11.25 cups, 2.66 liters, or 2660 milliliters. Visualizing this amount requires considering multiple water bottles or a large pitcher. While this volume might be appropriate for certain individuals, determining your optimal daily water intake requires considering individual factors and consulting a healthcare professional. Hydration is crucial for overall health and well-being. FAQs: 1. Q: Can I drink 90 oz of water all at once? A: No, drinking that much water quickly can lead to a dangerous condition called hyponatremia (water intoxication). It's crucial to spread your water intake throughout the day. 2. Q: Does the type of water matter (e.g., tap water vs. bottled water)? A: The purity and mineral content can vary, but for hydration purposes, the difference is usually negligible. Choose water that suits your taste and budget while ensuring it's safe to drink. 3. Q: How can I track my water intake? A: Use a water bottle with ounce markings, a mobile app that tracks fluid intake, or simply write down your water consumption throughout the day. 4. Q: What are the signs of dehydration? A: Dehydration symptoms include thirst, dry mouth, fatigue, dizziness, and decreased urine output. Severe dehydration can be dangerous, requiring medical attention. 5. Q: Can I replace water with other beverages? A: While other fluids contribute to hydration, water is the most efficient and effective way to replenish fluids. Juices and other drinks often contain sugar and calories that can outweigh their hydrating benefits. Always prioritize water as your primary source of hydration.
